

	JANUARY/FEBRUARY	MARCH	APRIL/MAY	JUNE
COVER STORY	Annual Facilities and Construction Brief	Intelligent Buildings, IoT, Analytics, Integration, Automation: HVAC, Lighting, Energy Management	Specifiers' Report: Outfitting 21st Century Educational Facilities	Safe & Healthy Schools: Thermal Comfort, Ergonomics, Acoustics, Daylighting, VOC, Water Quality, Sanitizing
FEATURES	<p>Top Uses for Signage and Digital Displays: Emergencies, Wayfinding and More</p> <p>Pros and Cons of Outsourcing and Contract Services</p> <p>Improving IAQ: HVAC Systems, Fans and Clean Air Technologies</p>	<p>Engaging Students</p> <p>Purchasing and Supply Management</p> <p>Flooring Decisions: Carpet or Hard Surface?</p>	<p>School Roofs: Repair or Replace?</p> <p>Interior and Exterior Lighting: Learn What's New and Tips for Upgrading</p> <p>Disaster Response: Emergency Communication, Evacuation, Notification and Alerts</p>	<p>Restroom, Shower, Locker Room: Planning, Design and Maintenance</p> <p>High Traffic Areas: Specifying, Covering and Maintaining</p> <p>A Technology-Enabled Approach to Learning</p>
SPECIAL SECTIONS & PROGRAMS	Products & Services That Work		Impact on Learning	<ul style="list-style-type: none"> · Education Design Showcase · Safe & Secure Schools · Baxter Research Ad Readership Study
BUILDING BLUEPRINT	Kindergarten Classrooms	Historic Renovations	Auditorium	Sports and Athletics
COLUMNS	<ul style="list-style-type: none"> · Facility Planning · Safety & Security · Fire and Life Safety · Energy Efficient Schools · Emerging Technology 	<ul style="list-style-type: none"> · Maintenance & Operations · Safety & Security · Fire and Life Safety · Energy Efficient Schools · Emerging Technology 	<ul style="list-style-type: none"> · Business Practices · Safety & Security · Fire and Life Safety · Energy Efficient Schools · Emerging Technology 	<ul style="list-style-type: none"> · Maintenance & Operations · Safety & Security · Fire and Life Safety · Energy Efficient Schools · Emerging Technology
WEBINARS	State of Education Facility Construction (February)		Impact on Learning (May)	
FOCUS ON	NSPMA, AASA, NFMT, NSBA	ISC West, AIA/CAE, NAEP	Infocomm, NEOCON, NFPA	ISTE, NASSLEO, NASRO

	JULY/AUGUST	SEPTEMBER	OCTOBER	NOVEMBER/DECEMBER
COVER STORY	Trends in Education: Energy, Technology, Interior Design, Security, Construction, Business	Holistic Approach to Sustainability: NetZero, Recycling, Energy Management, Water Conservation, Green Purchasing	Reinventing the Student Experience from Teaching Methods to Classroom Design	Restoring, Retrofitting & Adaptive Reuse of Educational Facilities
FEATURES	<p>Tackling Deferred Maintenance</p> <p>Planning an Outdoor Space: How to Furnish, Equip, Landscape and Maintain</p> <p>Securing the School: Access Control and Visitor Management</p>	<p>How Clean? Custodial Issues from Expectations and Standards to Equipment and Staffing</p> <p>Walls, Ceilings and Floorings: Acoustics, Wallcoverings, Color and Design</p> <p>Construction Methods and Materials: Wood, Brick, Modular, Roofing, Steel, Concrete</p>	<p>The Building Envelope: Roofs, Insulation, Exterior Walls, Windows and Doors</p> <p>Outside Ideas: Fencing, Pathways, Pavement, Bollards, Bike Racks, Site Furniture and Lighting</p> <p>Sports and Fitness: The Gym, Fieldhouse, Locker Room, Rec Center and Fields</p>	<p>Transportation and Parking: GPS, Buses, Utility Vehicles and the Campus Fleet</p> <p>Mechanical Systems: HVAC, Plumbing, Electrical</p> <p>Benefits of Cooperative Purchasing</p>
